Amy

Regarding your desire to record our conversation, I am fine with that but would a copy and also I would like to have my Head of HR in Compliance attend who is working on this review with me so we can both hear your views first hand.

Please confirm this is acceptable to you.

PS: I also wanted to mention that I will bring a voice recorder with me – I find it more efficient than taking notes. I'd be happy to provide you with a copy of the audio file afterwards if desired.

Lara,

Thank you for your flexibility - I shall come to your hotel at 10:00am on Friday.

In the interim, for completeness, I wanted to make sure you had access to the attached materials (all of which have previously been provided to CS). These comprise
(1) a letter to CS from the Sunday Times from 2012 that sets out many of the concerns with CS's handling of the case in more direct and holistic terms than the employment lawyers' correspondence that was attached to my letter to Tidjane.

(2) the attachments referenced in Archon Solicitors' letter to CS of 5 May 2011 (i.e. the sub-attachments to my letter of 7 January 2018)

I too am looking forward to meeting you on Friday.

Any time before 13:00 would be great. I am available all morning.

Also let me know where we can meet. I will be staying at the Four Seasons near London Tower Bridge so we could meet there if convenient.

I am also available to meet where ever convenient.

Thanks and look forward to meeting.

Thanks Lara,

I would welcome the opportunity to meet you face to face.

I am at a gala dinner with clients all Thursday evening, and I am due to preside in trial court on Friday. However, I can likely arrange for another justice to cover for me for either the morning or afternoon court session.

This would mean I could see you either before 13:00 or after 14:00 on Friday. Let me know which of these would suit you best and I will seek to arrange cover and confirm.

Yours faithfully,

Amy

Thank you for the email. I will be in London on Thursday evening and Friday as part of my review and wondered if you were perhaps available to meet in person.

I could discuss our approach and timeline and also it would be helpful to get your perspective on the events and any other related insights.

Let me know if you are available at any time and I will arrange my schedule appropriately.

Sincerely

Lara Warner

Dear Lara,

Thank you for your email.

I would like to understand the parameters of your investigation - specifically what is inside and outside its scope.

I would also be interested in anticipated timelines for any milestones that you may be able to share, always on the understanding that these may shift.

Yours faithfully,

Amy
