I started at Credit Suisse on 1st July 2007 and since the start Mike Shillato has been my boss. Mike is not a manager of people, he undermines you, he takes credit for work that I have done, he cannot manage his anger. He shouts at me, calls me Monty idiot, he emails me very abusive emails, he has insulted me in front of clients, he makes comments about my English. The working environment is nasty, he is pleasant one minute and blows up the next. I have been to management about his behaviour but nothing has happened. Amy is a very conservative girl and I have never seen anything between Mike and her.
